

Skittles Evening

4th December 2017

We have recently become aware that the skittle alley at the Jack O'Newbury in Binfield is available again after a period of closure.

The skittle alley has been booked for a Club evening on Monday 04 December.

The pub is under new management since we used it last and the menu looks to be an improvement on what some may remember from a few years ago.

*More details with menu and prices will be e-mailed
and noted on the website shortly.*
