

Reading Offshore Sailing Club

Quiz Night

MONDAY 6th APRIL 2020

1930 FOR 2000 HRS

Come and join us for a fun *Nautical Themed Quiz* at the Upper Thames Motor Yacht Club. The quiz will be aimed at all members and their partners as well as friends from other local sailing clubs with a mix of general knowledge and nautical questions with some more innovative ideas to get the teams thinking and working together. There is no need to organise your own team as we will put people into teams on the night to get members to mix together. Although there will be some questions related to the sea and boating don't worry there is no need for any YachtMaster specific knowledge!

As usual the venue will be the fantastic river side Upper Thames Motor Yacht Club where you will be able to enjoy sociable company, some intellectual stimulation, a chat, some fun and of course beer and other drinks at very reasonable prices!

If you want more information please contact Steve Giggs by email - secretary@readingoffshore.org.uk

Venue: Upper Thames Motor Yacht Club
