

# **ROSC AGM**

Monday 5 November 2018

All Members of the Reading Offshore Sailing Club should now have been advised that the Annual General Meeting (AGM) will take place on Monday 5 November 2018 at the Upper Thames Motor Yacht Club. An agenda covering items to be discussed including passing of the Accounts and Election of Officers and Committee Members will be issued later this month.

The Club can only continue to operate with the participation of Members on the Committee so nominations for any position are invited. Both the current Commodore and Honorary Treasurer have given notice of their intentions to step down from their roles as of this AGM and along with the post of Vice Commodore which is still vacant this means there is a critical need for nominations. If you feel able to contribute to the running of the club in any capacity please notify the Commodore or Honorary Secretary and we will be happy to discuss what is required.

There should be time after the AGM to have a general social catch-up with other members. In addition if anyone would like to do a short presentation on their sailing exploits this year or even just supply a couple of pictures out on the water that would be most welcome.

Looking forward to seeing you all at the AGM –  
***Steve Giggs (ROSC Honorary Secretary)***
